What Will I Learn in First Grade Art?

I can identify primary and secondary colors and use them when I create art.

**PRIMARY COLORS:** Red, Yellow, Blue
**SECONDARY COLORS:** Orange, Green, Violet
**NEUTRAL COLORS:** Black, White, Gray, Brown

Red + Yellow = Yellow
Yellow + Blue = Green
Red + Blue = Violet

If I add **WHITE** to a color, it will become lighter.
If I add **BLACK** to a color, it will become darker.

I can use line and shape to create patterns.

Artist Laurel Burch

I can improve my drawing skills through critique and revision.

I can learn about artists from around the world.

Pablo Picasso
Gustav Klimt
Yayoi Kusama

I can understand that artists create art for many reasons, including:
- For fun
- To explore feelings
- To communicate ideas

I can develop my **Studio Habits of Mind** by:

**Developing** my craftsmanship.
**Persisting** when I encounter challenges.
**Trying** many ideas while planning.
**Observing** from nature.
**Exploring** materials and techniques.
**Connecting** to other artists and cultures.
**Reflecting** on my work.

I can name and draw different types of lines in my artwork.
