What Will I Learn in IB Visual Arts Year 1?

Students will develop their 8 Studio Habits of Mind:
- Develop Craft
- Engage & Persist
- Envision
- Express
- Observe
- Stretch & Explore
- Reflect
- Understand Art Worlds

Students will explore a variety of art making techniques and styles which they may use to adapt and create personal work.

Students will show the development of their ideas and clearly communicate them in art and writing.

Students will demonstrate technical competence and further develop their creative strengths in their works.

Students will maintain a journal in order to collect inspiration and explore ideas.

Students will explore a variety of art making techniques and styles which they may use to adapt and create personal work.

Students will demonstrate experimentation and research of new artistic techniques.

Students will develop their artwork through research and thoughtful exploration of the artmaking process.

Students will learn to communicate their ideas through imagery in order to explain their ideas to viewers.

Students will document the process of creating their studio work in photographs and notations.

Students can examine characteristics of art forms from other cultures and envision various aspects within their artwork.
