The Portledge School Benefit is a gathering of Portledge families and friends to raise needed funds for the operating budget. Like most independent schools, Portledge School is a non-profit 501(c)(3) organization. We rely on proceeds from The Portledge Benefit to support our operating budget and ensure that all students receive the best education possible.

Portledge School provides an ideal environment for learning with an outstanding faculty and small class sizes on a secure, beautiful sixty-two acre campus for over 525 students in Pre-Nursery through Twelfth Grade. A co-educational college preparatory day school founded in 1965, Portledge offers a coordinated and sequential program stressing proficiency in reading, writing, mathematics, science, foreign language, and technology in a stimulating and friendly environment where students can achieve academic and personal excellence. In addition to a challenging academic curriculum, numerous athletic teams provide opportunities for all students to experience the discipline, camaraderie and commitment found in interscholastic competition. A comprehensive arts program offers studio art, drama and music training at introductory, intermediate and advanced levels. By focusing on achievement and character development, Portledge School prepares young people for success in college and in life. Portledge School is a member of the College Board, National Association of Independent Schools (NAIS), and the New York State Association of Independent Schools (NYSAIS). The School has its absolute charter granted by the Board of Regents of the University of the State of New York and is registered as an approved, accredited secondary school by the New York State Association of Independent Schools (NYSAIS).
